SOUTHWESTERN STUFFED ACORN SQUASH WITH CILANTRO CREAM SAUCE

2 acorn squash, halved and deseeded / 1 can black beans, drained and rinsed / 1 small red onion, chopped / 1/2 green onion, diced / seasoning mix (1 1/2 tsp. each cumin, smoked paprika, sea salt) / 1 cup tomatoes, chopped / 2 cloves garlic, minced

Cilantro Cream (puree with immersion blender): 1/2 cup light sour cream, 1/4 cup chopped cilantro, juice of 1/2 lime, 1/2 tsp. salt, 1 clove garlic, minced

Paint olive oil onto squash, then pat with 1/2 of seasoning mix. Roast in 400-degree oven in roasting pan covered with foil until fork tender. While squash is roasting, sauté onion and 1 clove garlic in bit of olive oil. When fragrant add beans, tomatoes, green peppers. Cook for 5-6 minutes, and remove from heat. Spoon out some of the squash from each half and add to bean mixture in separate bowl. Stuff each half and drizzle cilantro cream on top!

Note: servings depend on the size of your squash – great for any squash variety!
